

The George Karusky, IV Memorial Foundation keeps the spirit of GK4 alive. Georgie was a true Ryan Raider with a strong commitment to his Archbishop Ryan family. He was a three-sport athlete who played baseball, soccer, and football. Georgie was selected as All-Catholic for football which helped him earn an athletic scholarship to play at Chestnut Hill College in Fall of 2020. Also, he was always a proud student of the Bonaventure Program. Georgie gained great relationships with many people through school and sports.

At such a young age, he brought many people together and truly embraced everyone he met.

He is Forever in Our Hearts.
