

GEORGE KARUSKY IV MEMORIAL FOUNDATION 5K RUN / 2K WALK

Please support the GK4 Foundation for our annual event to raise funds to further provide educational opportunities for children in multiple ways while at the same time, building a stronger community.

It is hard to imagine that it has been almost five years since George P. Karusky IV suddenly passed which sent shock waves throughout the community. During one of the darkest times, a light shined through. The community bonded together raising funds to install a stained-glass window in the chapel of Archbishop Ryan High School as a tribute to Georgie. The outpouring of love and generosity from the community, family and friends was the beginning of the GK4 Foundation. Your continued support will be the cornerstone of the success of the foundation, many will be forever grateful. It should also be said that 100% of all funds collected will go to put smiles on children's faces as Georgie always did in more ways than one.
